Senior Project Architect – San Jose or Sacramento Office

BCA Architects is looking for highly motivated and talented staff to join our Sacramento and San Jose Offices! BCA is a full service architectural firm celebrating 28 years in business, serving all areas of California designing education, civic, commercial and senior living projects. We are an award-winning firm and pride ourselves in strong “value added” services and design capabilities. Visit us at: www.BCAarchitects.com.

Qualifications:

California Licensed Architect; LEED AP preferred; bachelor’s degree from accredited program required; US Citizen

Experience:

5+ Years

Position Responsibilities:

- Interprets, organizes, executes and coordinates project assignments
- Plans and develops architectural projects
- Prepares CAD drawings
- Involves exploration of subject area, definition of scope, selection of items for investigation and development of design concepts and methods
- Maintains liaison with individuals in or outside of firm with responsibility for technical matters pertaining to assigned projects
- Supervision received is mainly administrative, with assignments based on meeting stated project objectives and specific deadlines
- Reports to and coordinates with Project Managers on each assigned project
- Typical duties/responsibilities include one or more of the following:
 - Plans, organizes and supervises work of BCA technical staff and consultant contacts assigned to each project
 - Code and technical research for each assigned project
 - Coordinates the preparation of construction documents sufficiently to gain all required agency approvals
 - Provides bid and construction phase support

Requires Experience In:

- Public K-12 and/or Community College educational projects through the Department of the State Architect (DSA)
- Programming, master planning and project design/documentation through close-out and certification
- Public school project delivery methods: Design-Bid-Build, Design-Build, CM-at-Risk, Lease-Leaseback and related procurement and contract requirements
